Construction

The candle holder mat is made of durable tempered glass, characterized by high resistance to changing weather conditions, scratches, and impacts. This effectively protects the gravestone surface from dirt, wax stains, and other damage. Polished edges ensure safe use, and the subtle, minimalist design allows the mat to blend harmoniously with its surroundings.

Installation Instructions

1. Clean and dry the surface where the mat will be placed.
2. Carefully place the mat on the gravestone, ensuring the anti-slip feet adhere well to the surface.
3. Arrange candles, lanterns, or decorations evenly across the glass surface.
4. Regularly check and clean the mat to prevent dirt and wax build-up.

Maintenance and Cleaning

The mat should be cleaned with a soft, damp cloth or sponge and mild detergent. Avoid using abrasive cleaners or sharp tools that could damage the glass surface. Regular wiping helps maintain its elegant appearance and effectively protects the gravestone from dirt.

IMPORTANT! Please observe safety precautions when using this product.

The product is made of glass – handle with care to avoid breakage or damage. In case of cracks or chips, discontinue use immediately and dispose of the product safely. Avoid contact with sharp tools and chemicals that could damage the surface. Keep the mat out of reach of children to prevent accidental drops and injuries.
